What to work on

Abbey Athletic 2–1 Fleetville Foxes · Example League · Saturday 3 October 2026 · 90 mins

WHAT WENT WELL

Right-side overloads

62% of attacks came down the right. Full-back and No. 8 combined for 14 passes into the final third.

Counter-press after losing the ball

11 interceptions and 34 recoveries. The 44' goal came straight from a regain.

Shot quality

Seven of ten attempts came from inside the box. Average 0.22 xG per shot.

WHAT TO IMPROVE

Second balls from goal kicks

Fleetville won 7 of 10 second balls after Abbey goal kicks, including the 57' goal.

Defending the back post

Both of Fleetville's best chances were at the back post from crosses on the left.

Final 25 minutes

Only one attempt after 70'. Possession stayed in the middle third without breaking lines.

TRAINING FOCUS THIS WEEK

1

Second-ball positioning

Goal-kick scenarios 7v7 with a reward for the first touch after the knock-down. 15 minutes.

2

Back-post defending

Crossing drill from the left: far-side full-back tracks the runner, keeper commands the area.

3

Late-game chance creation

Small-sided game, 2 points for a goal from a third-man run. Builds forward runs when ahead.
